

Love Baskets

A fund-raising & community-building activity

description

Centered on Valentine's Day, *love baskets* are a fun and engaging way to raise funds and get your church involved in the Hope for Nicaragua mission team.

circle of love

(IRCLE of LOVE

- Love baskets represent a circle of love that starts with you.
- Basket builders give love through their creativity and donated basket creations.
- Basket bidders give love by bidding and purchasing baskets for Valentine's Day gifts.
- The basket recipient receives love through a unique, hand-crafted gift.
- The funds received to send people and purchase supplies delivers love on the mission field as we serve the beautiful people of Nicaragua.
- The blessing returns to the givers when you report the results of our mission trip at your church.

planning

- Start pre-planning in December.
- Begin communications (bulletins, announcements, etc.) the first Sunday in January.
- Reminders to bring baskets in starting 2-3 weeks before Valentines Day.
- Silent auction concludes on the Sunday before Valentine's Day.

how it works

- This is a silent auction of hand-made gift baskets made by “basket builders” and bid on by “basket bidders”.
- It is important to maintain a consistent “heartbeat” of communications with updates, requests and creative ideas through announcements, bulletins, etc.
- Solicit volunteers to be “basket builders” and offer creative ideas such as a *Night out at the Movies* Basket, *Pet Lover’s* Basket, *Picnic* Basket, *Tool bucket/basket*, *Fishing* Basket, *Chocolate Lover’s* Basket, etc, etc.
- Set up and decorate auction tables. Have your basket builders place their baskets on the tables with a basket description & bidding sheet (see resources section of this document).
- Try placing some dishes of candy on your tables – it helps get people to your tables 😊
- Keep communicating, add tables as needed and try to get as many love baskets made as possible.
- Announce the day and time for final auction bids (the Sunday before Valentine’s Day).
- Provide lots of encouragement and communication to make sure every basket gets a bid and, goes home with someone.
- If your church holds multiple services, ask your basket bidders from first/early services to return at the end of the last service to place final bids and take their baskets home.
- Be present and have helpers to collect payments for final bids and make sure baskets are going home.

We Need...

Basket Builders

We are looking for lots of creative volunteers who can build "Love Baskets"

"Baskets" don't have to be baskets... you can use bowls, boxes, buckets, etc.

Just a few ideas: Luxury bath basket, tool bucket "basket", Dinner and a movie for two basket, chocolate lovers basket, pet lovers basket/bowl, mommy's baby bag, music lovers basket, gourmet gift basket, salsa lovers basket, a camping/picnic basket, pasta lovers basket, crafts-that-you-make basket... Be Creative !

Please sign up on the "Basket Builders" List in the Lobby right away. Baskets need to be on display for bidding by February 5th.

Your Love Basket will be auctioned in a silent auction with all proceeds going to the Nicaragua Mission Trip. Thank you for supporting the mission in this special way!

Basket Bidders

Love Baskets will go on display and be up for auction on or before February 5th for Valentine's Day. Bidding will end after the second church service on Sunday, February 12th.

Look at all the wonderful creations and start bidding on your favorite baskets.

Think of one or more special people for whom your Love Basket would make the perfect Valentine's Day gift (and yes, it is ok to give yourself a gift!)

So now the love comes full circle. What was given away was bought for a price, but it was all for the love of someone who needed it more than the one who gave it away...

Love Baskets

- ✓ Take some time to look at all the baskets...
- ✓ Each basket has a Bid Sheet.
- ✓ This is a silent auction. Write your name and bid amount for the basket or baskets you want to take home.
- ✓ Other's may come after you and enter their name with a higher bid.
- ✓ Check back from time to time and see if you still have the leading bid.
- ✓ Highest bidder for each basket, takes the basket home.
- ✓ We will have all the baskets given to the highest bidder at the end of second service on Sunday, February 12th.

✓ This means that if you normally attend first service, you may want to hang around for second service to keep an eye on your bid. You will also want to come at the end of second service to claim your basket if you are the highest bidder.

Thank you from the Nicaragua Mission Team!
